ABOUT ME

Multidisciplinary designer with a degree in Image Design and a Master's in Product Design, bringing more than ten years of experience in visual communication, brand identity, digital design and creative development.

I combine strong visual sensibility with a practical understanding of marketing and business objectives, working across both creative thinking and execution. Naturally curious, I value meaningful ideas, coherent visual systems and the ability of design to communicate effectively.

EDUCATION

ESSTED ***2016 - 2018***
Master's Degree in Product Design (3D)

ESSTED ***2011 - 2013***
